It's Time to Enroll in Jeffco Public Schools!

The new www.EnrollJeffco.org is now open

GOLDEN, Colo. (Jan. 22, 2019) – Jeffco Public Schools is now enrolling students for the 2019-20 school year on the new [EnrollJeffco](http://www.EnrollJeffco.org) system. All new and returning Jeffco Public Schools students, Pre-K through grade 12, should use the system to indicate what school they plan to attend next school year.

[EnrollJeffco](http://www.EnrollJeffco.org) is open **January 22 – February 8**. The easy, user-friendly platform enables families to indicate whether their student will return to the same school, attend their neighborhood school (K-12), or apply for a preschool or different school(s) of their choice. Parents/guardians may apply to as many schools as they wish for their child.

[EnrollJeffco](http://www.EnrollJeffco.org) replaces the paper form “choice enrollment” used in the past. Those applying for choice enrollment will be contacted in late February with offers or wait-list positions. Offers need to be accepted using [EnrollJeffco](http://www.EnrollJeffco.org) within five days; only one offer may be accepted.

To use [EnrollJeffco](http://www.EnrollJeffco.org), parents/guardians will need to have a [Jeffco Connect](http://www.JeffcoConnect.org) account. All current students have an account; new or potential students may easily create one.

[EnrollJeffco](http://www.EnrollJeffco.org) also features a School Finder so families may learn about neighborhood, option, and charter schools all in one place. The School Finder is open to all, no account needed.

Go to www.EnrollJeffco.org for more information and to use the system.
